

I have been listening and financial supporting K-LOVE radio for several years. I appreciate the positive family broadcasting and am willing to support it financially. My children enjoy the music and we listen to it daily in the car and at home. I choose this over many other broadcast options and DO NOT want to lose this valuable station. I DO NOT want to see it displaced by an LPFM broadcaster providing other programming. It is in our community's and nation's interest to have this choice available for those willing to support it.
